## **Chapter 1 - Lesson 3**

### **Animals & Society**

#### **Activities**

1. Visit a grocery store, feed store, department store, and a pharmacy. List seven items that would not be on the shelves of these stores without the use of animals?
2. Look around your home; find and list five objects you would not have if humans had no contact with animals.
3. Visit your local animal shelter. Ask the employees what steps the shelter takes to encourage the humane treatment of animals.
4. Visit several livestock producers. Ask them if responsible, humane care of their animals is important to their businesses.
