Explore a Career in One Health

Join the Discipline That Integrates Human, Animal, and Environmental Health

One Health Science & Technology
Supplement to Veterinary Science
Preparatory Training for the Veterinary Assistant
Heather L. Simmons, DVM, MSVPH
**One Health Science & Technology**

*Supplement to Veterinary Science Preparatory Training for the Veterinary Assistant by Heather L. Simmons, DVM, MSVPH*

Published by the Institute for Infectious Animal Diseases (IIAD). A Department of Homeland Security Science & Technology Center of Excellence.

The introduction to the One Health concept that Dr. Simmons provides in this comprehensive book will be welcomed by all veterinary science students, and particularly by practicing veterinary assistants who are interested in pursuing a professional career in One Health. This publication is intended to introduce students and teachers to the field of One Health, a discipline that integrates human, animal, and environmental health.
