### **VSCP ad hoc Working Group Member Spotlight:**

**Mrs. Charity Judah**  
Fidelity VPS  
Virtual Project Solutions

Charity was a 4-H volunteer leader and facilitated the Veterinary Science Project in Brazos County for five years. She oversaw multiple students who completed the VSCP program and gain their Veterinary Assistant Certification from TVMA. Her oldest daughter went on to become a Licensed Veterinary Technician and was the head technician in the large animal operating room at Texas A&M University. Two of her students are currently in vet school and another student is a Graduate Student at TAMU and leading research for the USDA. All of these amazing students are pursuing careers in part because of the impact of the VSCP program!

Charity lives in Bryan on a small farm where she raises horses and chickens. She is a Regional Manager for Texas and Louisiana with Samaritan's Purse International Relief.
