VSCP ad hoc Working Group Member Spotlight:

Brandon Dominguez, DVM MS DACVPM '02
Clinical Veterinarian
Global Health Research Complex
Texas A&M University
College Station, Texas

Brandon Dominguez is the Clinical Veterinarian of the Global Health Research Complex, a new infectious disease research center on the Texas A&M campus. He is an active member of the Texas A&M Veterinary Emergency Team, assisting with animal issues during disasters. Previously, Dr. Dominguez was on the large animal faculty at the Texas A&M College of Veterinary Medicine & Biomedical Sciences where he facilitated clinical experiences for veterinary students. Prior to that he was in private practice in Hondo, Texas. Dominguez obtained his bachelor degree in animal science, DVM, and Masters in Epidemiology from Texas A&M.
