

# TEXAS A&M AGRILIFE EXTENSION

## Veterinary Science Pathway Alignment

## 2021 Veterinary Science Pathway Alignment

*Texas A&M AgriLife Extension Service  
& Texas Veterinary Medical  
Association CVA Program*

### Goal

The goal of the professional development is to provide learning opportunities for Texas high schools participating in a Veterinary Science Program. The VSCP and TVMA are working together to assist teachers, administrators and CTE coordinators the ability to ensure alignment and integrity of the curriculum and pathway for students. The day will be filled with all aspects of curriculum, course offerings, CVA certification information and much more.

### Cost and Registration

Cost of the program: \$175.00/day (includes lunch)

Registration opens September 15, 2021 via Qualtrics

Audience: Teachers, CTE Coordinators & Administrators
